

TERM 3 2026

Dear Parents and Caregivers,

We can hardly believe we are already at Term 3 of 2026 — this year is flying by! It has been wonderful to see our gymnastics program continue to thrive, with our gymnasts learning, growing and excelling every day.

We'd like to take this opportunity to thank you all for your continued support and cooperation with our club rules. We really appreciate everyone staying out of the gym during sessions (except for our Toddler classes), including keeping siblings out of the gym and helping us maintain a focused, safe environment for our gymnasts.

Thank you also for getting used to our new QR code check-in system and for your ongoing support of the coaches and club. These small things make a big difference to the smooth and safe running of our sessions.

★ OUR NEW LOOK ★

There's been a lot happening behind the scenes as we work on rebranding and giving our club a fresh new look — and yes, no more orange!

A huge thank you to Lindzi, who has been helping bring this vision together, from our new branding and coach T-shirts to new leotards and training wear for our athletes.

We're due to receive samples of the new training wear this term.

WATCH THIS SPACE 📺

We're really excited to share our new look with everyone and see it come to life.

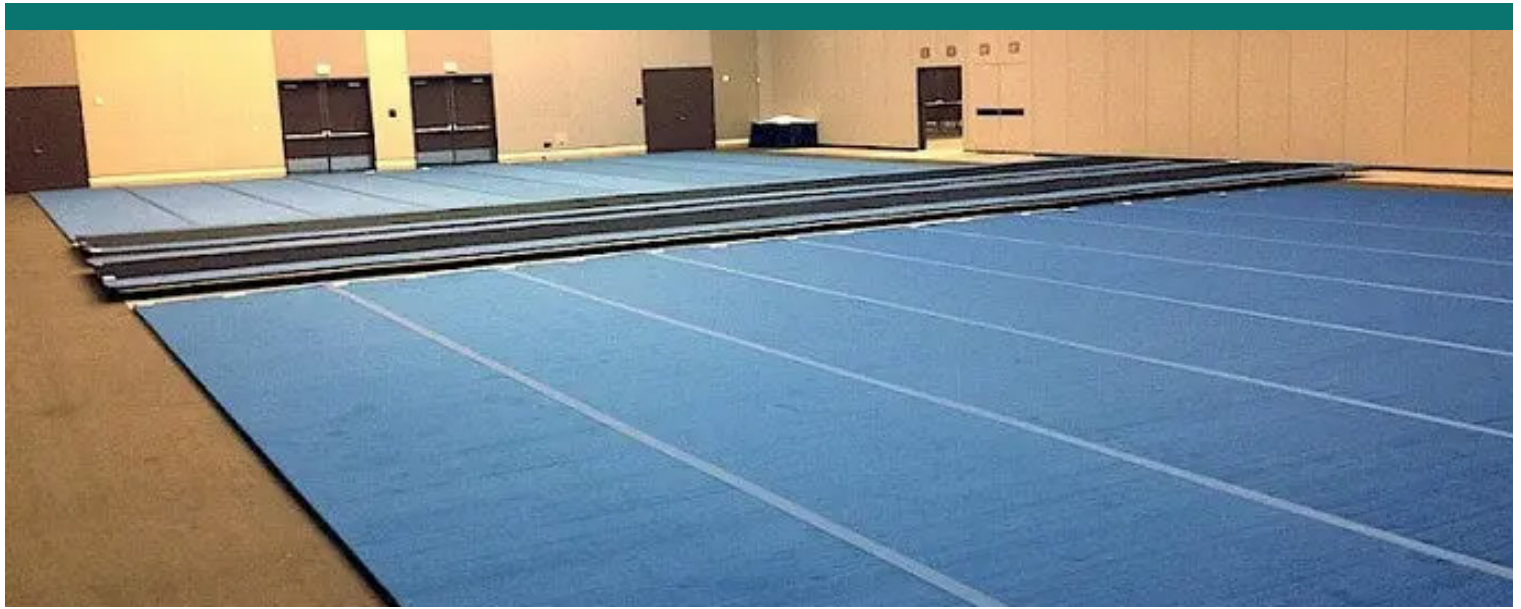

THANK YOU

We are incredibly grateful to Mike Crowley and Zone PNG for sponsoring our new uneven bars. This fantastic new equipment gives our athletes a great opportunity to train and grow their skills.

We also want to thank SBS for helping ship the equipment to Port Moresby. Thank you to everyone who made this happen!

NEW MATS ON THE WAY!

Our square flooring has been getting worse, with broken sections creating holes and making training increasingly difficult. We're excited to announce that new professional gymnastics flooring has been ordered and is now on its way to POM.

This will be a major improvement for the safety and training of our athletes, we can't wait to get it installed!

GET INVOLVED!

We Need More Committee Members!

We're looking for more parents to join our committee and help support the club.

We currently have two important volunteer roles available:

-Committee Representatives: Be your child's class representative on our committee! You'll help keep the class organized, safe, and running smoothly.

-Enrollments Officer (Urgent) We need a volunteer for a few hours a week to manage sign-ups, handle outstanding fees, answer questions, and place gymnasts in full classes. Without someone in this role, gymnastics cannot run next year.

If you can help with either role or in anyway, we would love to hear from you:

pomgymnastics@gmail.com

Your support makes a real difference to our growing club!
